6624	25/11/02	Rev W B Trawhella Gubbi	Wesleyan mission Anglo-Vernacular School, Gubbi	9000 (actual cost)
		(Note by office) This may perhaps be allowed Hm	Last year, it was observed by Govt that this is a very costly building and what is looked to be an undeviating rule (a half contribution as aid) does not apply to ambitious cases of this kind) A grant of Rs 2000 which is a third of what an A V school should cost, is the utmost that can be expected of Govt as aid. The Dfl now recommends Rs 1000	
6300 3)	18/11/02	Rev. F. Goodwill	W. M. Tamil School, Marikoppam, Kolar Gold Fields	1384

6600 5)	Do	Do	W. M. Girls' School, Mysore	19000
		Note by office 1000 Rs perhaps allowable Hm	Last year it was observed, a half-contribution is not necessarily an inflexible rule applicable to costly buildings of this kind. Further the value of the site cannot be taken into account. The total estimated cost of the building is Rs 19000, inclusive of the value of the site viz Rs 4000
